Based on HMS parent survey results we put forth this “family” fundraiser event instead of direct product sales by HMS students.  
Direct monetary donations were also favored by parents.

HMS Department Chairs: Bill Eggert/Math, Shannon Donovan/Social Studies, Cheryl Petrou/Science also presented for Amy Ostrowski/LA.

A discussion of our School Improvement Plan and highlights of future curriculum and assessment changes.

Great parent interest and participation. Many questions for the Department Chairs.

For additional details all Department presentations will be posted on the HMS PTO website.
