

Hinsdale Middle School

Drop Off, Pick Up, and Walking Map

Start of 2018-19 School Year - Revised September

- Students may not be dropped off or picked up on Garfield Avenue. See the yellow arrows on the map above for the acceptable drop off and pick up locations.
- Students entering from Washington may enter the building via the portables before school. Students should enter on the school side of the construction barriers.
- Students dropped off on the north side of the school should enter through the doors on the north side of the building ("dolphin doors").
- Students dropped off on the south side of the school should enter through the main entrance doors on the south side of the building.
- Students should cross streets at the corners, following designated crosswalks. Student drop off should not take place at a corner / intersection.
