

## Online Ordering For School Supplies 2017/18

Online ordering of prepackaged school supplies kits is now available. These kits include all teacher approved supplies and is provided as a convenience for parents by the PTO. All kits are priced at retail and will be shipped to the students home approximately a week before school starts. Fee waiver students should call Sally Cuchna in the HMS front office to place a supply kit order. This year fee waiver student's kits will be shipped to the student's home like all other students.

\*Please note that the teachers have worked hard this year to reduce the volume and cost of the supplies in response to parent feedback.

Ordering is easy:

1. Go to the EPI link at [www.epipacks.com](http://www.epipacks.com) and enter the school code HIN022
2. Order your kit and any a la carte items you may need such as a language dictionary or graphing calculator depending on your child's class placements.
3. Follow instructions for payment and delivery.
4. Keep your EPI confirmation and receipt for your records.
5. Supplies will be delivered via UPS to your home around the week of August 7.
6. All orders must be placed by June 25, 2017
